

Sunflower Day 2022 – Saturday, August 13th

How fun to be looking forward to our 2nd Sunflower Day!

Last year we experimented with three locations, and then learned you had so many other great suggestions and ideas, perhaps the answer is Sunflowers everywhere!

This year, gather your sorority sisters, your Panhellenic sisters, and wear your sunflowers to your favorite places ... wherever they may be.

Saturday evening concert in the park? Alumnae meeting for lunch?
Farmers' Market outing with picnic to follow? Favorite museum you've all
been talking about going to? Which ever option appeals to you, DO IT!!!

Let's wear our sunflowers here, there, and everywhere, Saturday, August 13th!
See a lady with a sunflower, introduce yourself and ask if she is a sorority woman.

Take pictures and email them in and we will post them on our SCCAP website.

Let's continue to build Sunflower Day into that special day in August when we smile when we see another woman wearing a sunflower and confidently ask "Which House?"
